PURPOSE OF RECOMMENDED ACTION:

The Board's confirmation of hazardous vegetation abatement costs enables the Consolidated Fire Protection District of Los Angeles County (the "Fire Department") to assess parcels in Los Angeles County which were declared to be a seasonal recurrent public nuisance due to excessive hazardous brush, dry grass, weeds, combustible growth or flammable vegetation to include native and ornamental vegetation, and which required hazard abatement enforcement by the Fire Department.

JUSTIFICATION:

Hazard abatement enforcement is necessary to ensure abatement of fire hazards on parcels that are not in compliance. Enforcement of compliance on improved parcels is the responsibility of the Fire Department and is required by Part 5, Division 12 of the California Health and Safety Code, Sections 14875 to 14922, inclusive, and your Board's action on January 13, 2004 which approved these costs for non-compliant declared improved parcels. These costs, \$231.00 per parcel, are the costs established by previous Board action on January 21, 1997 and do not include an increased cost per parcel. Confirmation of the hazardous vegetation abatement costs will allow the Fire Department to recover costs for abatement action beyond the annual inspection program.

FISCAL IMPACT:

There is no net County cost in confirming the hazardous vegetation abatement costs. Confirmation of the hazardous vegetation abatement costs allows for partial recovery of the Fire Department expenditures for hazard abatement enforcement.

The Honorable Board of Supervisors
July 15, 2004
Page 3

FINANCING:

Confirmation of the hazardous vegetation abatement costs does not affect the net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

Abatement activities have been taken against improved properties not in compliance and found by inspection to be a seasonal recurrent nuisance due to hazardous brush, dry grass, weeds, combustible growth or flammable vegetation, including native and ornamental vegetation, which require Fire Department abatement enforcement action to provide fire protection to existing structures and adjacent properties under the provisions of Part 5, Division 12 of the California Health and Safety Code, Sections 14875 to 14922 inclusive.

The attached report contains an itemized account of the hazardous vegetation abatement costs. A copy of the report shall be posted for at least three days on or near the Board's chamber door and on the internet, with a notice of the time when the cost report will be submitted to the Board for public hearing on confirmation.

A copy of the cost report, as confirmed, shall be turned over to the Auditor-Controller of the County, on or before the tenth (10th) day of August following such confirmation. The Auditor-Controller will enter the amounts of the respective assessments against respective parcels of land as they appear on the current assessment roll.

The Honorable Board of Supervisors
July 15, 2004
Page 4

IMPACT ON CURRENT SERVICES (OR PROJECTS):

The recovery of hazardous vegetation abatement costs is vital to the ongoing operation governing the identification and abatement of those properties that constitute a public nuisance and endanger the public safety.

CONCLUSION:

When confirmed, the Fire Department requires one (1) copy of the Board's action.

Very truly yours,

P. MICHAEL FREEMAN

REPORT ON HAZARDOUS VEGETATION ABATEMENT COST

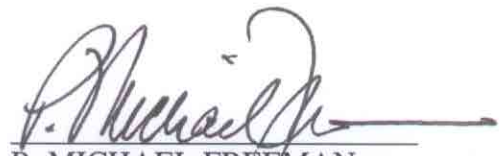

TO THE BOARD OF SUPERVISORS
OF THE COUNTY OF LOS ANGELES

Dear Supervisors:

Pursuant to an order heretofore made by your Honorable Board instructing the Fire Department to enforce abatement of hazardous brush, dry grass, weeds, combustible growth or flammable vegetation to include native and ornamental vegetation under the provisions of Part 5, Division 12, of the California Health and Safety Code, Sections 14875 to 14922, inclusive, we respectfully submit for confirmation by your Honorable Board on August 3, 2004, at 9:30 a.m., the following report on the cost of hazardous vegetation abatement showing the cost of hazardous vegetation abatement on each separate lot or parcel of land, to-wit:

(see attached report titled 'HAZARDOUS VEGETATION ABATEMENT COSTS')

Respectfully submitted,

P. MICHAEL FREEMAN
FIRE CHIEF

STATE OF CALIFORNIA)
)
) SS
)
COUNTY OF LOS ANGELES)

JOHN R. TODD, Assistant Chief, Forestry, Consolidated Fire Protection District of Los Angeles County, Section Manager of the Brush Clearance Unit of the Consolidated Fire Protection District of Los Angeles County, being duly sworn says:

That on or before the 27th day of July 2004, he posted or caused to be posted, on or near the chamber door of the Board of Supervisors of the County of Los Angeles, and on the internet, the cost of hazardous vegetation abatement services for each and every parcel described in the report titled 'Hazardous Vegetation Abatement Costs.' A true and correct copy thereof is attached hereto, with a notice stating that the 3rd day of August 2004, at 9:30 a.m., is the date and time upon which said report is to be submitted to the Board of Supervisors of the County of Los Angeles for confirmation.

By 
John R. Todd
Assistant Chief, Forestry
